

Notification No: 002/2018

2 January 2018

Dear Parents/Guardians,

Information for Parents of Primary 1

On behalf of all my level teachers, I welcome your child to the school. I hope you have had a splendid time bonding with your child/ward during the holidays.

To induct our children into the new academic year, the first few days of school are dedicated to connecting with them. These few days will also be set aside to ease our children into the new school environment and establishing routines like creating class rules and understanding the school values.

I will also be speaking to our children on our level vision and behavioural norms. The teachers and I will be speaking about this very often and reminding them of these values and behaviour so as to get our children to be ready and engaged in their learning. I am sharing this information with you so that you can speak with your child on this at home and help us reinforce some of these values and good behaviour.

Level Vision	Every Jieminite is respectful and motivated.
