Dear parents

Full Subscriptions to KooBits ProblemSums (An Online Maths Learning Portal)

We are happy to inform you that the school has again subscribed full accounts for all Jiemin Primary pupils to *KooBits ProblemSums* (www.problemsums.koobits.com), a self-directed maths training programme for your child. This system is designed to help your child progress from a learner to a master of problem solving and heuristics skills.

Developed by a group of passionate educators and curriculum experts with continuous updates every year, KooBits ProblemSums offers following benefits to your child:

- More than 100,000 problem sums with detailed solutions
- More than 20,000 mechanical sums and foundation maths questions
- More than 600 step-by-step video tutorials for each skill topic to teach your child
- Online draw-model tools to help record down your child's workings
- Intelligently improve your child's weak areas through individually customised homework
- Engaging maths challenges and other fun maths related activities to motivate your child
- Parents can assign homework to the child and monitor progress through reports
- Accessible anywhere anytime on PC, Mac, iPad or any devices with Internet connection.
- SuperHero challenges for mental sum and elimination skill practice
- New in 2018: 50+ maths learning games to learn with fun

Your child will be able to access Self Practice, Homework, mock exams, quick tests in the system, and get engaged via daily activities and peer interactions to learn maths, earn points and win prizes. It's highly recommended for your child to use this portal at home for independent and self-directed learning.
