

Notification No: 004/2018

3 January 2018

Dear Parents/Guardians,

Information for Parents of Primary 4 pupils

On behalf of all my level teachers, I welcome your child to the school. I hope you have had a splendid time bonding with your child/ward during the holidays.

To induct our children into the new academic year, the first two days of school were dedicated to connecting with them. These two days were set aside to ease our children into the school environment and establish routines like creating class rules and understanding the school values.

I will also be speaking to our children on our level vision and behavioural norms. The teachers and I will be speaking about this very often and reminding them of these values and behaviour so as to get our children to be ready and engaged in their learning. I am sharing this information with you so that you can speak with your child about this at home and help us reinforce some of these values and good behaviour.

Level Vision	Every Jieminite is confident yet humble.
Behavioural Norms	<ul style="list-style-type: none"> • I will work with my peers of different abilities. • I will ask questions when in doubt. • I am willing to make improvement in my work. • I will listen to my classmates' opinions. • I will be mindful of my actions and words. • I will take feedback in my stride.
