

Notification: 0056/2017

2 May 2017

Dear Parent/Guardian,

**Pupil Safety Matters**

Travel Plans Declaration during the June Holidays

The June School Holidays are approaching soon. As part of the good practices of the school in taking pro-active measures in ensuring our pupils' well-being, please provide the school with the travel details of your child / ward for contact tracing purposes.

You can do this through the school website's Online Travel Declaration module for all Students at <http://www.jieminpri.moe.edu.sg/others/parents>).

If you do not have computer or Internet access, please approach the school's General Office to obtain a hardcopy Travel Declaration form. Upon filling it in, please submit it back to the General Office.

**For all P1 Parents / Guardians**, declaration is compulsory for all P1 students, even if your child / ward is not travelling.

For all P2 to P6 Parents / Guardians, declaration is only required if your child / ward is travelling.

Please submit the details latest **by 15 May 2017 (Monday)**.

During the course of the holidays, if you have any new travel plans or have made changes to your travel plans, it is important to keep us updated so that the information is as accurate and current as possible.

Please ensure that your child's/ward's thermometer is still in good working condition before the school re-opens on 27 Jun 2017.

If your child displays flu-like symptoms after returning from a holiday outside Singapore, it is advisable that your child sees a doctor and stay at home instead of coming to school.

Please contact our Administrative Executive, Mr Harry Wee at 67586472 to update us with any amended details if any.

Thank you and I wish you and your child/ward a happy and restful Term 2 break.

Yours sincerely,

Cheah Poh Lian  
Principal
