

Notification: 066/2017

Dear Parents/Guardians,

HOLISTIC ASSESSMENT SCHEDULE FOR P1 – P2 PUPILS (Semester 2)

Please find attached the Holistic Assessment schedule and topics to be tested for your reference.

As mentioned in January, report books will be returned to the students twice a year in Terms 2 and 4. For Terms 1 and 3, progress reports with rubrics to indicate key learning outcomes will be given to you throughout the term so that you can be updated on your child's progress for the various subjects. In addition, you can also find out about your child's performance from the holistic assessment portfolio. This portfolio contains a sample of your child's work for the term with graded rubrics and qualitative comments from the teacher.

Please note that should your child miss any weighted test or performance task due to an illness or a medical appointment, a medical certificate is required to be submitted for the day of absence. In the event that **no medical certificate** is produced for the absence, your child will receive a **"0" (zero) mark** for the **weighted test or performance task**.

We look forward to your continuous support in guiding the children so that they do well in their examination.
