

Notification No: 077 / 2017

24 July 2017

Dear Parents,

Book Fair on 27 and 28 July 2017

In line with the National Reading Movement by the National Library Board, we have lined up some activities for the students this month.

Read for Books is a charity book drive by NLB aimed at celebrating and sharing the joy of reading. For every 10 people who read for 15 minutes, a book will be donated to identified charities or beneficiaries. For 2017, NLB will be raising books for the residents of Voluntary Children's Homes as well as needy children and youths identified by the four self-help groups. This year, we have decided to create special reading moments together in school on 28 July and aid NLB in their donation drive.

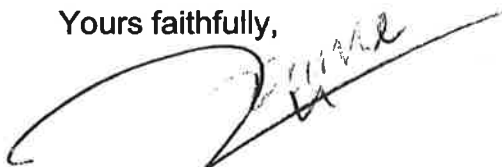

In addition, we have arranged for an assembly programme. 'Reading is a daily thing' on Wednesday, 26 July 2017, followed by a book fair on 27 and 28 July 2017. Book fair flyers with the price list will be distributed to the students after the assembly programme.

The students may purchase books during the book fair. Please be informed that it is **not compulsory** for the students to purchase the books. However, should they wish to do so, please do ensure that they have sufficient money to purchase the books they want.

If you have any queries, you may contact Mdm Sharmila at 67586472. We look forward to working with you in promoting a good reading culture in Jiemin Primary School.

Thank you.

Yours faithfully,

Ms Linn Suat Cheng, Joanne
