

FAMILY matters!

Notification: 110/17

17 October 2017

Dear Parent / Guardian,

Family Matters @ School Programme

We are pleased to inform you that our school will be organising some FamilyMatters@School workshops especially for you parents. These workshops aim to equip parents with skills to nurture positive family relationships.

Please see below for more information on the workshops.

Date & Timing	Workshop Title	Workshop Synopsis
16 Nov, Thursday (9 a.m. to 12 noon)	The Power of 5 Love Languages for Family	This workshop empowers you parents to understand how a child gives, receives and interprets love. You will discover how to successfully express love to your child for improvement in his/her behavior while fostering enhanced parent-child relationship. This will help you to discern your child's love language. You will also learn how to create a secure environment in which your child can thrive.
16 Nov, Thursday (1 p.m. to 3 p.m.)	Cyber-safety for My Child	Research shows an increasing trend that children growing up in this internet age spend more time 'online', communicating with their virtual friends, engaging in Facebook, twitter and all other virtual games instead of talking to parents. Topics that would be covered in this workshop on family life and communication skills between parents and the internet-age children, onset of puberty, adolescent development and tips for communication.

Kindly return the attached registration form to your child's/ward's form teacher by **25 October 2017**. You may choose to attend one or both of the workshops.

If you have any queries, please contact myself at 62571772 or email me at maslinda_masod@moe.edu.sg.

Thank you.

Yours sincerely
