

Notification No: 028/2018

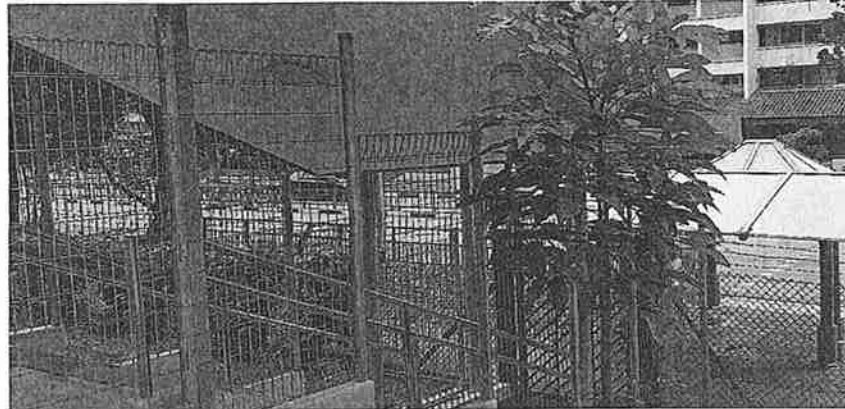

7 February 2018

Dear Parents/Guardians,

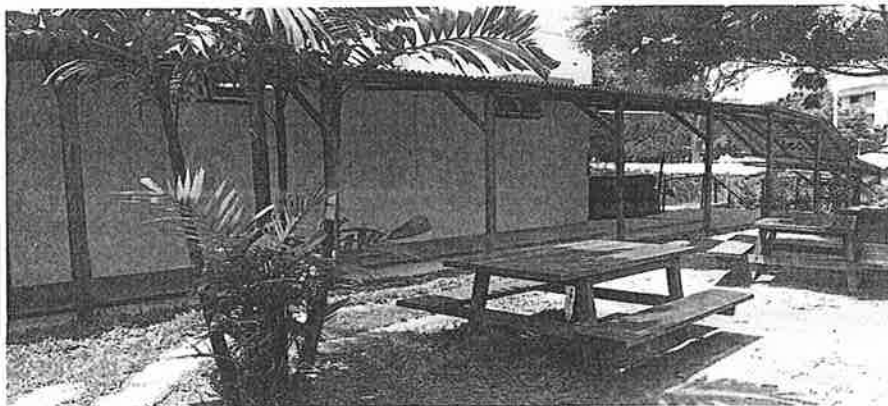

Temporary Closure of Back Gate at Indoor Sports Hall (ISH)

Starting from 8 February 2018 (Thursday), the school will be commencing on some minor renovations in our Indoor Sports Hall till 9 March 2018 (Friday). During this period, the pupils will **not be able** to access the school using the following gate (opposite BLK 732) for safety and security reasons.

For pupils who need to use the back gate during arrival and dismissal of school, we have arranged to open the **former back gate (opposite BLK 731) leading to the school canteen** so that your child can continue to enjoy the convenience. We will update again when the gate at our ISH is ready to be used. Thank you.

Yours sincerely,
