

Notification No: 038/2018

7 Mar 2018

Dear Parents/Guardians of P4 pupils,

Code For Fun Programme 2018 For Primary 4 Pupils

Dear Parents/Guardians,

As part of the school's effort to develop our pupils' thinking skills, we have started the Code For Fun programme since 2016. The entire course is 20 hours and it will be conducted within two years. Last year, the P3 and P4 pupils have attended 10 hours of the programme. This year, they will continue with the 2nd part of the programme. There will be four sessions of two and a half hours each. During the Code For Fun lessons, pupils will be taught basic computer programming which trains them to be analytical and logical in their approach to solving problems. Please refer to the table below for the dates of the 4 sessions.

To better support your child, we urge you to install the SCRATCH 2.0 programme on your home PC so that your child can practise what he / she has learnt in school. We appreciate your cooperation and support for our school programme.
