TERM 1 2024 ISSUE

A MESSAGE FROM OUR PRINCIPAL, MR CHOONG.

Dear Parents/Guardians and Jieminites,

A very Happy New School Year 2024 to everyone!

We trust that you and your families enjoyed a rejuvenating break in the past few weeks, filled with cherished moments and the warmth of loved ones. Reflecting on the achievements and growth of the previous academic year, we extend our heartfelt gratitude to parents, community members, and our dedicated staff for their unwavering support, commitment, and contributions.

As we embark on the new 2024 Academic Year, we are thrilled to extend a warm welcome to our newest members - seven vibrant classes of Primary 1 students. To our returning students, we look forward to witnessing your continued growth, leadership, and mentorship as you guide the newest additions to our school community. With the collective support of parents and the wider community, we are poised to bring out the very best in each child.

At the heart of Jiemin Primary School lies our enduring mission to nurture both hearts and minds. Our commitment to holistic development remains steadfast, necessitating a continuous review of our programs and activities. We aim to cultivate strength of character alongside academic excellence, fostering positive learning dispositions such as "Active Learning", "Resilience", and "Curiosity". Our values - Responsibility, Respect, Humility, Resilience, and Care - will serve as guiding principles throughout the academic journey.

In the coming year, we aspire to explore a multitude of authentic learning opportunities, including camps and learning journeys. With your support, we are optimistic about creating enriching experiences for our students. Our Jieminites will also be participating in the Singapore Youth Festival and the annual National School Games. We actively encourage Jieminites to explore their talents in the aesthetics and sports as part of their holistic development.

Let us unite in encouraging our students to delve into their interests, passions, and aspirations. Together, we strive towards our shared vision of producing "Global Learners, Discerning Citizens."

On behalf of Vice-Principal Ms. Nur Fatimah, Vice-Principal Ms. Joy Wong, and our entire staff, we extend our warmest wishes for a successful and fulfilling new school year. Here's to a year of growth, learning, and achievement!

Warm regards,

Andy Mickey Choong
Principal
Jiemin Primary School

LOOK AFTER THE SAFETY OF OUR JIEMINITES TOGETHER

Jieminites understand the importance of road safety, as most of them walk to school every day. They are aware of the do's and don'ts when crossing the road and most importantly, all Jieminites are required to know the Kerb Drill.

SUMMARY:
MASTER THE RULES

- ✓ Do not jaywalk and always use designated crossings
- ✓ Do not dash across the road especially when the green man is flashing
- ✓ Obey the green and red man signal lights
- ✓ Avoid crossing in front of or between stationary vehicles, or in vehicles' blind spots as the drivers would not be able to see you
- ✓ Do not use your phone when crossing the road
- ✓ Do not chat with your friends while crossing the road. Pay attention to the traffic instead

SUMMARY:
Crossing the road using the Kerb Drill when there is an oncoming traffic

- ✓ Look right if oncoming traffic is from the right
- ✓ Look left if oncoming traffic is from the left
- ✓ Look right/left again
- ✓ Ensure all vehicles have stopped
- ✓ Raise your hand when crossing

We would like to take this opportunity to remind parents who drive their child/children to school to take note of the following :

- Kindly cooperate with the road marshals in school at all times.
- Please do not drop off/pick up your child along Yishun Street 71 and Yishun Ring Road. Please refrain from doing this as it may cause unnecessary delay and safety risks for your child/children and the other road users.
- For parents who do not wish to drop off your child in school, you may choose any one of the nearby carparks to do so.
